SUPRA Nordic Scholarship

The Scholarship is one of the most important features of NIAS' Support Programme for Asian Studies. It is designed to make NIAS' library and other resources accessible to PhD candidates and graduate students in the Nordic countries. A scholarship covers inexpensive travel to and from Copenhagen and accommodation in a NIAS room at Nordisk Kollegium, with full board for a period of two weeks. Stays are arranged subject to a time schedule administered by NIAS.

The librarians at NIAS will give the stipends a comprehensive introduction to the use of the NIAS LINC resources. The students and doctoral candidates will have at their disposal a suitably equipped work place. They will be able to interact with NIAS researchers and will have the opportunity to participate in the various activities at NIAS while being here.
